SPRING KNITTING

10 DESIGNS FOR YOU AND THE FAMILY

All knitted in SIRDAR Wools

PRESENTED WITH HOME NOTES MARCH 5TH 1938

TWO OF A KIND

HERE you see the two together, but of course you can wear the cardigan with a variety of blouses and frocks as well. If knitted in a bright colour, it's particularly good with tennis kit.

UNTIL you've tried it, you've no idea how useful one of these cardigan and jumper sets can be. The "twin" woollies shown here, are in a particularly attractive and very simple pattern.

JUMPER

Materials.—6 ozs. "Sirdar" Coronella knitting yarn, 3-ply. A pair each of No. 10 and No. 12 "Aero" knitting needles.

Measurements.—JUMPER: Length from shoulder to lower edge, 18½ ins. Width all round at underarms, 35 ins., stretching to 36 ins. Sleeve seam, 4½ ins.

Tension.—7½ stitches in width and 9½ rows in depth to one inch.

Begin at lower edge of back. Using No. 12 needles, cast on 110 sts. and work in k. 1, p. 1 ribbing for 3¾ ins. Change to No. 10 needles and k. one row, inc. in every 11th st. to make 120 sts. Proceed without shaping until armholes measure 6½ ins. in depth on the straight, and not round armhole. Shape shoulders by casting off 8 sts. at the beg. of the next 8 rows. Cast off rem. sts.

The Front

Work exactly as given for the back until armhole shapings are completed, then cont. on rem. 104 sts. until work measures 15½ ins. from the beg., ending after a p. row.

Introducing the Perfect Partners —a Cardigan and Jumper Set.

The Sleeves (*both alike*)

Begin at lower edge. Using No. 12 needles cast on 96 sts. and work in k. 1, p. 1 ribbing for 1½ ins. Change to No. 10 needles and proceed in ptn. as for jumper until sleeve measures 4½ ins. from the beg. Shape top by casting off 4 sts. at the beg. of the next 2 rows, then k. 2 sts. tog. at both ends of needle on every row until 26 sts. remain. Cast off.

To make up Jumper.—Join shoulder seams and sew sleeves into armholes. Press lightly, omitting all ribbing. Join side and sleeve seams and press seams, then sew *cast-off* edge of collar to neck edge of jumper, so that the opening comes at centre front.

THE CARDIGAN

Materials.—7 ozs. "Sirdar" Coronella knitting yarn, 3-ply. A pair each of No. 10 and No. 12 "Aero" knitting needles. Four buttons.

Measurements.—About 34 to 35 inches all round underarms, but as the fronts are open it will fit up to a 36-inch bust size. Sleeve seam, 18½ ins.

The Back

Using No. 12 needles cast on 120 sts. and work in k. 1, p. 1 ribbing for 3½ ins. Change to No. 10 needles and work one complete ptn. as for jumper. Inc. 1 st. at both ends of next row and every following 6th row until there are 136 sts. on needle. Cont. without shaping until work measures 12½ ins. from the beg. ISN'T the pattern an attractive one? It's very easy, too; in fact anyone with even a little knitting experience could easily tackle it successfully.

SUITING HIMSELF

THIS outfit will please the most active youngster of three to four years old, and it's delightfully cosy.

YOU'LL want to copy this woolly suit again and again—in dark blue or green for everyday wear and in pale blue or yellow for "best." Or perhaps you prefer a contrast—brown knickers with a yellow jumper, for example.

Materials.—6 ozs. "Sirdar Crochet Wool." A pair each of No. 10 and No. 11 "Stratnoid" knitting needles. Five small buttons and 18 ins. of elastic for knicker waist.

Measurements.—Length of jersey, 13 ins. Chest, 23 ins., stretching to 24 ins. Sleeve seam, 10½ ins.

Tension.—Worked at a tension to produce 7 sts. in width and 9 rows in depth to one inch.

THE JERSEY

Begin at lower edge of back, cast on 84 sts. on No. 11 needles and work 12 rows in k. 1, p. 1 ribbing, then proceed in ptn. as follows. Change to No. 10 needles. *1st and 2nd rows*—K. 2, p. 2 alt. to end of row. *3rd row*—K. *4th row*—P. These 4 rows form the ptn.; rep. them until 76 rows have been worked above border. Shape armholes by casting off 4 sts. at beg. of the next 2 rows, and dec. 1 st. at beg. of every following row until 68 sts. rem. Cont. over 68 sts. until 40 rows have been worked from beg. of armhole shaping. Shape shoulders by casting off 7 sts. at beg. of the next 6 rows, then cast off rem. 26 sts. loosely for back neck.

The Front

Using No. 11 needles cast on 88 sts. and work as for back until 64 rows have been worked above border, then work is divided for front opening: *65th row*—Work 40 sts. in ptn., then 8 sts. in k. 1, p. 1 rib, transfer rem. 40 sts. to a spare needle and leave for right side. *66th row*—Rib 8, ptn. to left side edge. Work 4 more rows over this set of sts. *71st row*—Ptn. 40, rib 3, cast off 2 sts. for buttonhole, rib 3. Rib to end of 76th ptn. row (casting on 2 sts. in next row to replace the cast-off sts.) and ending at side edge. Shape armhole. Cast off 4 sts. at beg. of 77th row and finish row in ptn. Dec. at armhole edge on the next row. Then dec. again at armhole edge on the following row and make another buttonhole in the border of the same row. Cont. in ptn., casting on 2 sts. for buttonhole on the next row and dec. again at armhole edge in the same row and in the following row (40 sts. rem.). Now keep armhole edge straight and make 3 further buttonholes in 87th and 88th rows, the 95th and 96th rows and the 103rd and the 104th rows. Work back to neck.

To shape neck cast off 9 sts. at beg. of 106th row and dec. at same edge in every following row until 21 sts. rem. Work back to armhole. Then beg. on the next row shape shoulder. * Cast off 7 sts., work to neck and back again.

FOR the TEN-YEAR-OLD

You Couldn't Find Anything Easier to Knit or Smarter in Wear than this Jumper

EQUALLY good for school or holiday wear is this little jumper. It's made in stocking-stitch with a fairly wide ribbed welt and cuffs and narrower neckband; and it fastens on the left shoulder with press fasteners, so that the neckline cannot stretch out of shape when the jumper is pulled on and off.

Materials.—6 ozs. " Sirdar Super Shetland Wool," 3-ply. A pair each of No. 10 and No. 12 " Stratnoid " knitting needles. Four press fasteners. A small piece of narrow, matching ribbon for facing the front shoulder of the opening.

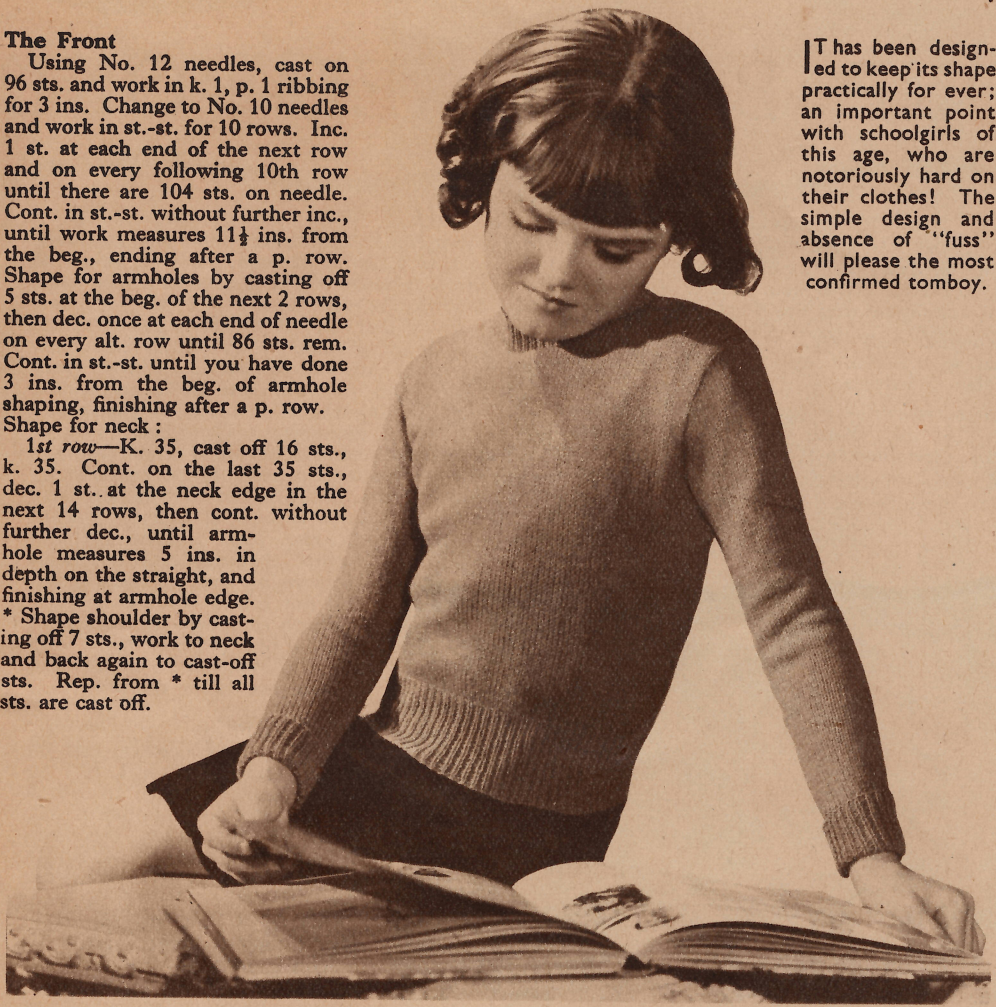
Measurements.—Length from shoulder to lower edge, 16½ ins. Width all round chest, 30 ins. Length of sleeve seam, 15 ins.

Tension.—7 sts. in width and 9 rows in depth to one inch.

The Front

Using No. 12 needles, cast on 96 sts. and work in k. 1, p. 1 ribbing for 3 ins. Change to No. 10 needles and work in st.-st. for 10 rows. Inc. 1 st. at each end of the next row and on every following 10th row until there are 104 sts. on needle. Cont. in st.-st. without further inc., until work measures 11½ ins. from the beg., ending after a p. row. Shape for armholes by casting off 5 sts. at the beg. of the next 2 rows, then dec. once at each end of needle on every alt. row until 86 sts. rem. Cont. in st.-st. until you have done 3 ins. from the beg. of armhole shaping, finishing after a p. row. Shape for neck :

1*st row*—K. 35, cast off 16 sts., k. 35. Cont. on the last 35 sts., dec. 1 st. at the neck edge in the next 14 rows, then cont. without further dec., until armhole measures 5 ins. in depth on the straight, and finishing at armhole edge. * Shape shoulder by casting off 7 sts., work to neck and back again to cast-off sts. Rep. from * till all sts. are cast off.



IT has been designed to keep its shape practically for ever; an important point with schoolgirls of this age, who are notoriously hard on their clothes! The simple design and absence of "fuss" will please the most confirmed tomboy.

Join wool to neck edge and work the opposite side to correspond.

The Back

Work as for front until armholes are the same depth as front armholes, then shape shoulders by casting off 7 sts. at the beg. of the next 6 rows. Cast off rem. sts. in the centre.

The Sleeves (*both alike*)

Begin at the top. Using No. 10 needles, cast on 24 sts. Cast on 2 sts. at beg. of every row until there are 72 sts. on needle, always working into the backs of the cast-on sts. to tighten the edge. Work 8 rows without shaping. Dec. once at each end of the next row and on every following 8th row until there are 50 sts. left. Cont. without further dec., until sleeve measures 13 ins. from the cast-on edge. Change to No. 12 needles, and work in k. 1, p. 1 rib for 4 ins. Cast off with a No. 10 needle, still working in the rib.

The Neckband.—Sew together the front and back right shoulders. Sew up left shoulder seam for 1 inch from armhole edge. With right side of work facing, join wool to neck edge of left shoulder opening, and using a No. 12 needle, pick up and draw through 54 sts. across front and 38 sts. across back of neck. Work 12 rows in k. 1, p. 1 ribbing. Cast off using a No. 10 needle, still working in the rib.

To Make Up.—Sew up left shoulder seam for 1 inch from armhole edge. With a No. 12 needle and right side of work towards you, pick up and draw through 24 sts. on the back of left shoulder and work 7 rows in plain knitting. Cast off. Press the work. Face the inside of the left front shoulder with the narrow piece of ribbon and sew half of the press-studs on this, then sew the corresponding half on the plain knitting and tack down the end of this band. Sew in sleeves by back-stitching an eighth of an inch from the edges, then sew up side and sleeve seams by drawing the edge loops together. Press seams, omitting all ribbing.

ONE BUTTONED—ONE

A BEGINNER could tackle this coat-jumper—just rib and stocking-stitch in a thick wool on big needles. It knits up in record time, and will do service either as a jumper worn with a skirt, or as a coat over thin frocks or blouses.

Materials.—15 ozs. " Sirdar Knitfast Wool." A pair each of No. 6 and No. 9 "Aero " knitting needles. 7 buttons.

Measurements.—Length from shoulder to lower edge, 18½ ins. Width all round at underarms, 34 ins., stretching to 35 ins. Sleeve seam, 18 ins.

Tension.—Worked at a tension to produce 4½ sts. in width and 6 rows in depth to one inch.

The Back

Using No. 9 needles, cast on 64 sts., and work in k. 1, p. 1 rib for 22 rows, inc. 1 st. at end of last row. Change to No. 6 needles and proceed as follows. 1*st row*—K. 24, (p. 1, k. 1) 8 times, p. 1, k. 24. 2*nd row*—P. 24, (k. 1, p. 1) 8 times, k. 1, p. 24. Rep. these 2 rows 4 times more, then inc. 1 st. at each end of next row and on every following 10th row until there are 73 sts. on the needle, keeping the ribbed sts. in the centre intact whilst increasing. Then cont. without further inc., until work measures 12 ins. from the beg., ending after a p. row. Shape armholes by casting off 5 sts. at beg. of next 2 rows, then dec. once at beg. of every row until 56 sts. rem. Cont. without further shaping, until armholes measure 6½ ins. on the straight and not round armhole.

Shape shoulders by casting off 8 sts. at beg. of next 4 rows. Slip the rem. 24 sts. in the centre on to a spare needle for the present.

The Left Front

Using No. 9 needles, cast on 50 sts., and work in k. 1, p. 1 rib for 22 rows. Change to No. 6 needles, and dec. number of sts., thus : * K. 5, k. 2 tog., rep. from * until 15 sts. rem., k. 4, rib 11 (45 sts. remain). Proceed in ptn. 1*st row*—Rib 11, p. to end. 2*nd row*—K. 34, rib 11, Rep. last 2 rows 4 times. Inc. 1 st. at end of next row and on every following 10th row at side edge, 5 times altogether (50 sts.). Then cont. until front measures 12 ins. from the beg., finishing after a p. row. Shape armhole by casting off 6 sts., and finish row. Work back to armhole. K. 2 sts. tog. at armhole edge on every alt. row until 40 sts. rem. Now work right across all sts. in k. 1, p. 1 ribbing until armhole measures

WEAR it now as a jumper with your country tweeds, and, later on, as a coat over thin frocks or blouses. You can knit it in considerably less than a week of evenings; yes, even if you're a beginner and this is your first attempt!

"ZIPPED"

THIS little coat will be a most useful item in your holiday wardrobe. Wear it now with a tweed skirt for country walks or cycling, and when the evenings grow warmer, you'll find it just the thing to slip on in the evenings when you don't want to bother with a big coat.

Materials.—10 ozs. "Sirdar Majestic Wool." A pair of No. 8 and No. 11 "Aero" knitting needles. A 12-inch "Lightning" Zip Fastener.

Measurements.—Length from shoulder to lower edge, 18½ ins. Width all round at underarms, 34 ins., stretching to 35 ins. Sleeve seam, 18 ins.

Tension.—6 sts. in width and 7 rows in depth to one inch.

The Back

Using No. 11 needles, cast on 84 sts., and work in k. 1, p. 1 ribbing for 3½ ins. Change to No. 8 needles, and work in st.-st. for 8 rows. Inc. 1 st. at each end of next row and on every following 8th row until there are 94 sts. Cont. without further inc., until back measures 12½ ins. from the beg. Cast off rem. sts.

A NEW design, this, and a most becoming one. Notice the straight, unbelted line, the placing of the big pockets, the unusual shape of the collar, and the fastening, all of which put this coat in the model class.

The Right Front

Using No. 11 needles, cast on 50 sts., and work in k. 1, p. 1 ribbing for 3½ ins. Change to No. 8 needles. 1*st row* (front edge)—K. 2*nd row*—P. until 3 sts. rem., k. 3. Rep. these 2 rows, inc. 1 st. at side edge on the 9th and on every following 8th row until there are 55 sts. on needle. Cont. over 55 sts. until front equals back in depth to position of armholes, ending after a k. row.

Now shape armholes and begin front slope. Cast off 4 sts., p. until 5 sts. rem., p. 2 tog., k. 3. 2*nd row*—K. back to armhole. 3*rd row*—Cast off 4 sts., work to front edge. 4*th row*—K. back to armhole. 5*th row*—Cast off 2 sts., work until 5 sts. rem., p. 2 tog., k. 3. 6*th row*—K. back to armhole. 7*th row*—Cast off 2 sts., work to front edge. 8*th row*—K. back to armhole. 9*th row*—Cast off 2 sts., work until 5 sts. rem., p. 2 tog., k. 3. SUITING HIMSELF (*Continued from page* 4)

Rep. from * until all sts. are cast off. Transfer the 40 sts. from spare needle to a No. 10 needle and cast on 8 sts. for underwrap. Keeping the 8 sts. in rib as for other side, and beg. with "purl 1," work right side to correspond with left, omitting the buttonholes, and beg. armhole shaping on the 78th row, and neck shaping at beg. of 107th row. Then when neck decreasings are finished, and beg. at armhole edge, shape shoulder as for left side.

The Sleeves (*both alike*)

Cast on 44 sts. on No. 11 needles and work 3 ins. in k. 1, p. 1 rib. Change to No. 10 needles, cont. in ptn., inc. 1 st. at each end of next and every following 6th row until there are 64 sts. on needle. Cont. over 64 sts. until sleeve measures 10½ ins. from beg., then shape top by casting off 3 sts. at the beg. of the next 2 rows, then dec. 1 st. at each end of every row until 30 sts. remain. Cast off.

The Knickers

Measurements.—Length down side fold, 11 ins. Width round widest part, 26 ins.

Do not work into the backs of the cast-on sts. ** For first leg, using No. 10 needles, cast on 90 sts. and work 16 rows in st.-st. Turn up hem by knitting the 1st st. with the first cast-on st., then the 2nd st. with the 2nd cast-on st., and cont. to end. Work 3 rows in st.-st., beg. with a p. row. Now cont. in st.-st., inc. 1 st. at each end of next row and on every k. row until 98 sts. are on needle. Work 7 rows without shaping, then dec. 1 st. at each end of next row and on every 8th row following, until 84 sts. are on needle. Work 7 rows after last dec. ** Now begin shaping back. *Next row*—K. 1, k. 2 tog., k. until 18 sts. rem., turn and p. back. Now leave 10 sts. more unworked at the end of every k. row until you have 68 sts. left at end, then turn and p. 15. *Next row*—K. to end. Change to No. 11 needles and work 12 rows in k. 1, p. 1 rib. Cast off.

For 2nd leg, work same as first leg from ** to **. Then start shaping. *Next row*—K., but dec. at end of row. *Next row*—P. until 18 sts. rem., turn and k. back. Now leave 10 more sts. unworked at end of every p. row until you have 68 sts. left at the end, turn and k. 15. Change to No. 11 needles and work 12 rows in k. 1, p. 1 rib. Cast off.

To Make Up.—Join the shoulders of jersey, then press all pieces on wrong side of work under a damp cloth, omitting all ribbing. Sew cast-off edge of collar to neck, making ends meet front edges of placket. Join the side seams, make up the sleeves and sew into armholes. Sew on buttons. Sew up back and front seams and leg seams of knickers and press. Then fold the legs in half, so as to make a crease down back and front of each leg, then press well. Now take the piece of elastic and lay it on the inside of the ribbing at waist and stitch over it in a herringbone-stitch to keep it in place.

number 70. Cont. without further inc., until the work measures 15½ ins. from the beg., finishing at the end of a p. row. Shape the top by casting off 3 sts. at the beg. of the next 2 rows, then k. 2 tog. at the beg. of every row until 30 sts. rem. Cast off 4 sts. at the beg. of next 4 rows. Cast off.

The Neck Ribbing.—Using No. 11 needles, cast on 130 sts. and work in k. 1, p. 1 rib for 10 rows, dec. 1 st. at each end of needle in every row. Cast off on next row in rib, taking the first and last 2 sts. tog.

To Make Up

Press work on wrong side with warm iron and damp cloth, very lightly. Sew up shoulder seams on wrong side. Sew up side and sleeve seams. Sew sleeves into armholes. Join neckband neatly, and place join to the exact centre of front neck and sew securely on the wrong side. Now find the exact centre of neckband and place this to the middle of back neck and sew in place. Now stretch the lower edge of ribbing all round to fit neck and oversew all round on the wrong side. Lightly press join.

TWO OF A KIND

(*Continued from page* 3)

of every 4th), working the armhole thus: 1*st armhole row*—Cast off 6 sts. at beg. of row, then work to end. Now cont. to shape armhole by dec. 1 st. at armhole edge on the next 8 rows. Now keep armhole edge straight, but cont. to dec. at front edge in every 6th row as before, until only 32 sts. remain. Then work in ptn. without further shaping, until armhole measures 7 ins. in depth on the straight. Then shape shoulder by casting off 8 sts. at the beg. of next 4 rows, which *start* at armhole edge.

The Left Front

Work this exactly as given for the Right front, but reverse the side shapings by increasing at the *end* of every 6th row (instead of at the beginning of these rows).

The Sleeves (*both alike*)

Using No. 12 needles cast on 64 sts. and work in k. 1, p. 1 ribbing for 3½ ins. Change to No. 10 needles, and work in ptn., inc. 1 st. at each end of every 6th row until there are 98 sts. on needle, then cont. without shaping until sleeve measures 18½ ins. from the beg. Shape top by casting off 4 sts. at the beg. of the next 2 rows, then k. 2 sts. tog. at both ends of needle on every row until 26 sts. remain. Cast off.

The Neck and Front Band.—Using No. 12 needles cast on 12 sts. and work in k. 1, p. 1 ribbing for one inch. Then make a buttonhole as follows: 1*st row*—Work 4 sts., cast off 4, rib to end of row. 2*nd row*—Work in rib, cast on 4 sts. over those cast off in the previous row, rib 4. Now cont. in rib, making 3 more buttonholes each ¾ of an inch apart, then proceed in ribbing until strip is long enough to go up right front, round back neck, and down left front. Do not cast off, but leave sts. on needle until you have tacked the band to the front.

To Make Up Cardigan.—Sew back and front shoulders together by back-stitching ⅛ of an inch from the edges. Then sew in the tops of sleeves in the same way and press seams. Sew up side and underarm seams by drawing the edge loops together. Now tack band to fronts, putting the buttonhole end to the right front. When tacking, stretch the band a little all the time, and ease the fronts and back neck to the band, so that it fits nicely. Cast off lower edge when band is correct length. Then oversew on the wrong side and press out the join with your finger-nail. Sew on buttons to meet buttonholes.
